

# THE ORNATE™ AR

ELEGANT DECORATIVE SHINGLE

Shown in:  
Oxford Grey

# THE ORNATE™ AR

## NEXGEN™ POLYMER MODIFIED ASPHALT

Sustainable, polymer modified asphalt technology increases shingle flexibility, granule adhesion, and impact resistance.

## \* STREAK RESIST™ TECHNOLOGY

Helps maintain the aesthetic appearance of your roof. Includes a 5 or 10-year warranty based on location and climate.

## RETAIN COLOR GRANULES

Superior granule adhesion provides your roof lasting beauty and protection from damaging solar rays.

## SEAL TO ROOF

Specially formulated asphalt sealant holds shingles in place during high winds.

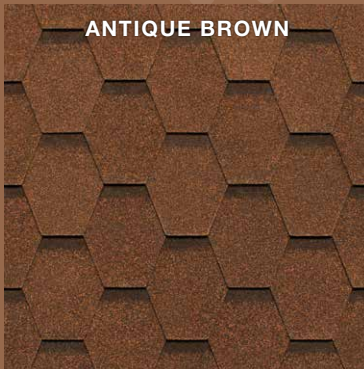

## SUPERIOR SHINGLE STRENGTH

Shingles with Nexgen™ polymer modified asphalt are more resistant to tearing and nail pull-out, reducing the risk of shingle blow-off.

## FLEXIBLE IN ALL WEATHER

Polymer modified asphalt technology provides flexibility for application in a wider range of climates and roof styles.

Defining Excellence.™

DISCLAIMER: Sample pieces or photographs of shingles may not accurately represent the true color or variations of color blends that will appear on the roof. Before installation, five or six shingles should be laid out and reviewed for conformity to desired color level. If color levels are unsatisfactory, advise your dealer before proceeding with installation. Colors and specifications subject to change without notice. Shingle colors not available in all regions. Limited warranties carry terms and conditions. Please contact your local Malarkey representative for color availability and further information. See Malarkey's Shingle and Accessory Warranty for details.

\* Malarkey hip and ridge shingles (10", 12" RidgeFlex™ or 8", 10" EZ-Ridge™) are recommended for all Malarkey field shingles to receive the Algae Resistant System Warranty from Malarkey. The use of Ornate™ AR Hip & Ridge shingles is only allowed when Ornate™ AR is the field shingle.

This version supersedes all previous versions. Rev. 4/18
